“Garito Tor”, Mattamy (Brownridge) Limited
Minor Sub-Node block, Part of Lot 7 and 8, Concession 4, NS (Trafalgar)
Town of Milton**

Dear Ms. Hogan,

This letter serves as a response to the public engagement strategy required by the Town of Milton for the Zoning By-law Amendment application submitted on April 17, 2024. Please accept this letter as Mattamy (Brownridge) Limited’s proposed public engagement strategy.

Following the submission of the application, an informal public information meeting will be coordinated with Town staff and hosted by the applicant to share the proposal with interested residents and answer initial questions ahead of receiving staff comments.

Application notice signs will be installed on the subject property along Louis St. Laurent Avenue per Town notice sign standards. Notification will then be circulated to surrounding residents to inform the public of the development proposal and Statutory Public Meeting. An agent of the landowner will be present at the public meeting to provide further information, answer questions and take notes on resident comments and feedback. These comments will be considered and addressed by Mattamy (Brownridge) Limited, Korsiak Urban Planning, and by Town staff.

Please feel free to contact me at the number below should you have any questions or require any further information.

Sincerely yours,

KORSIAK URBAN PLANNING
