

HCPG MISSION

Halton Co-operative Purchasing Group (HCPG) is focused on maximizing the use of public funds through collaboration, efficiency, and leveraging economies of scale. By pooling our resources and expertise, we aim to streamline the procurement process, promote sustainable practices, and enhance the delivery of public services. Through strategic partnerships and shared knowledge, we strive to achieve optimal value for our member organizations while maintaining the highest standards of transparency, fairness, and integrity. Together, we are dedicated to driving innovation, maximizing savings, and ensuring the best possible outcomes for our member agencies, client groups and the communities we serve.

The HCPG will remain an indispensable, integrated and evolving co-operative procurement service.

HCPG Values

- a. To ensure a high standard of ethics and integrity.
- b. To maintain co-operation and participation, working together to achieve best value.
- c. To maintain support for fair and open market competition, with an objective and impartial approach to the award of all contracts.
- d. To maintain an energetic and proactive approach to customer service.
- e. To maintain an innovative and progressive approach to legislation, market trends, sustainability, and technology.
- f. To foster collaboration and knowledge sharing regarding best practices, market intelligence, and procurement initiatives, while also enabling continuous learning and improvement.
